RE: The Market on Military

To the Community,

CORPORATE OFFICE
1673 Dousman Street
Green Bay, WI 54303
P: 920-498-2599

aspiroinc.org

We have had the pleasure of meeting with the City of Green Bay Parks Department and Military Avenue, Inc. to review plans for a gathering space within Murphy Park called The Market on Military. The proposed building is to be used for farmers markets and other seasonal events.

Aspiro's Dousman building is next to Murphy Park. For years, Aspiro clients have enjoyed Murphy Park on a daily basis with various activities. Aspiro's recreation program uses Murphy Park to play softball, pickleball, and flag football. It is a true statement that Murphy Park is a gem for Aspiro clients.

Aspiro believes that the proposed Market on Military will be a benefit for the park itself, the community, and our clients. We are excited to see a space in the park that our clients could use, volunteer at, and partner with for Aspiro programming. We believe this project would produce a space that allows the community to connect with Aspiro clients and our overall mission, plus bringing new life to Murphy Park as a whole.

We thank the City of Green Bay and Military Avenue, Inc. for reaching out to Aspiro and seeking our input as they designed the space. These are the actions of true community partners. Aspiro looks forward to the bright future of Murphy Park.

Sincerely,

Ryan Ruzziconi
President
